EACH DAY, IN ONE PLACE

- The day's **Epistle and Gospel**, in traditional (KJV) or modern (NKJV) English — with every reading of the day, including Vespers and Matins.
- The **fasting rule** for the day, stated plainly — what is asked, and what is allowed.
- The day's **commemorations and Lives of the Saints**, with the full calendar one tap away.
- **Wisdom of the Fathers** — a daily saying from the saints.
- A **month calendar** of fasts and feasts, and the **whole church year at a glance** — every Great Feast and fasting season, for planning ahead.
- The complete **service texts in Church Slavonic** (azbyka.ru), the day's **troparia**, and St Theophan's daily reflection — one tap each.
- **Works offline** — the coming week is always saved. Free, no advertisements, no accounts, nothing to sign up for.
